

USA \$ 20,39

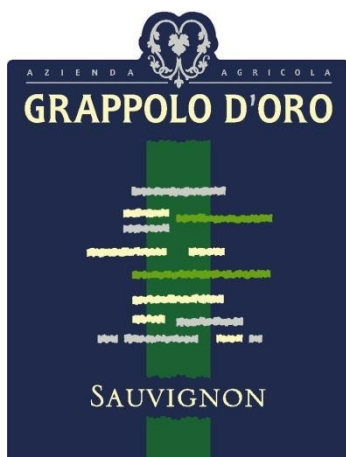

### **Sauvignon**

**Serve at 8° - 10°**

Wine with a straw yellow color with greenish reflections. The typical aroma recalls yellow flowers and peppers. A well-structured wine, excellent as an aperitif and to be paired with: spicy first courses, soups, and medium-aged cheeses.

# GRAPPOLO D'ORO

## SAUVIGNON

### ANALYTICAL DATA

ALCOHOL (% VOL) 13,00

DRY SUGARS

VINTAGE 2019

<u>Grape variety:</u>	Sauvignon 100%
<u>Denomination:</u>	Friuli Colli Orientali
<u>Designation:</u>	DOC
<u>Soil type:</u>	marls and sandstones of Eocene origin
<u>Harvest time:</u>	end of September
<u>Harvesting method:</u>	manual

### **Vinification:**

The grapes are delicately destemmed and left to macerate cold for about 12 hours, followed by a soft pressing and fermentation takes place at controlled temperature in stainless steel containers.

### **Refinement:**

Maturation and refinement continue in steel tanks leaving the wine on its noble lees for about 4 months depending on the vintage. The bottled wine is aged in conditioned rooms for at least one month.

### **Sensory Notes:**

**Color:** straw yellow with some greenish reflections.

**Aroma:** the typical aroma recalls yellow flowers, bell pepper, peach in syrup.

**Taste:** fresh on the palate, but soft and fat, wine with good structure and persistence.

**Food pairings:** excellent as an aperitif wine and to be paired with first courses, salami and cold pork meats, and medium-aged cheeses of high aromatic intensity.

### **Serving Temperature:**

12 - 14°C
